

Call for Papers on Public Sector Innovation

Papers are invited in the areas of:

- individual and organizational creativity,
- the innovation process in government,
- the context for public service innovation (organizational and societal),
- the ethics of innovation (policy, administration and process),
- performance measurement and evaluation.

Papers are invited from professors, graduate students and practitioners. Selected papers will be published in *The Innovation Journal* (www.innovation.cc).

Participants are responsible for their own costs, but an effort is being made to raise a subsidy.

The deadline for proposals is October 25, 2001. Proponents will be informed whether their papers have been accepted by November 15th. Please send communications and proposals to glor@magma.ca.

Please feel free to forward this Call for Papers to others.
