

THE 2019 SCHOLARLY & RESEARCH COMMUNICATION* 2ND ANNUAL JOURNAL INNOVATION AWARD

This award is intended to recognize innovation made or first measured in 2018 by a Canadian scholarly journal that has published at least 15 articles and can provide usage statistics. Innovation should be focused on enhancing readership and/or other forms of engagement with journal content.

Eligibility

To qualify, a journal must:

- Be located and published in Canada by a Canadian entity
- Have a majority of Canadians on the active editorial board

How to apply

- Include a concise description of the innovation with accompanying materials or access information
- Describe the intended or actual impact including measurement techniques

DEADLINE
APRIL 30, 2019

Both member and non-member journals of the Canadian Association of Learned Journals are eligible. Non-members must pay an entry fee of \$200

Entries will be judged by a panel of 3 judges with extensive journal publishing experience. The winner will be announced at the CALJ Annual General Meeting.
