

Topic	Description, Editor(s), and Planned Publication Dates
Open Issue	Eleanor Glor eglor@magma.ca Volume 10(3) Fall 2005
Technology and Innovation	Ways in which technology enhances and supports innovation in government. Also considering whether big technology implementations deliver the innovation that they promise. Glenda White Glenda.White@sita.co.za
Innovation in Local Government	Innovation in cities and small towns, as the primary sites of service delivery in many countries. Glenda White Glenda.White@sita.co.za
Innovation in Developing Countries	What is taking place in governments in countries in the developing world, in particular Africa, South America, parts of Asia. A related topic is Innovation for Poverty Alleviation, from the perspectives of the developing world and donor community, and also urban communities dealing with problems of homelessness and unemployment. Glenda White Glenda.White@sita.co.za
Rules Innovation	Innovative public interest-oriented rule approaches, and associated institutions and processes, being developed by governments, the private sector, and civil society in response to challenges associated with use of conventional rules approaches (most notably, command and control regulation). Kernaghan Webb webb.kernaghan@ic.gc.ca
Client Empowerment	Innovative ways that clients have been involved in policy and practice in public sector organisations. e.g. case studies, more theoretical papers, new ideas. Monica Dowling m.s.dowling@open.ac.uk
Articles en français French Papers	D'idées et de renseignements sur l'innovation dans le secteur public. Vous êtes invités à soumettre des articles, des commentaires ou à apporter toute autre contribution. Lucie Rouillard lucie_rouillard@enap.quebec.ca
